Customer will get validity along with talk value as and when he/she tops up. Please note that the No. of days validity extended is in addition to the existing validity

Separate validity voucher is no more required to increase the validity.
Hence all The Recharge Vouchers are withdrawn

III) In case of Student Special plan, the customer will get additional plan validity of **30 days** and 300 free Local SMS and 100 MB free data usage on using the Student Special voucher of **Rs.28** (Incl. of S. Tax)(thru SMS) with **Nil** talk value. **Extension of plan validity is NOT available via C Topup.** However, **to get talk value the Student special Plan customer has to use Top-up vouchers as in sl no : (ii) above.**

- The student customer can extend validity of the plan thru SMS only for 2G customers , by sending SMS “STUDENT28” to 53733, ONE TIME, keeping sufficient amount (for talk time +Rs28 for monthly extension),in his account so that his plan validity is extended automatically every month along with the free 300 local SMS and 100MB free data in addition to the balance SMS+data.
- If sufficient amount for monthly deduction of Rs28 is not available, IN will send the following message to him to put sufficient money in his account.
 “Insufficient balance. Your validity expires on xxxx(expiry date).Please topup sufficient amount immediately to get validity extension- BSNL”

The 2G Student Special voucher, to be used thru SMS, is as given below:

MRP of Student Special voucher (incl.of S.Tax)	Amount to be deducted if activated Student Special voucher thru SMS	SMS Keyword for activation
Rs28	Rs25.39	STUDENT28

Sl.No	Particulars	Tariff	
a	MRP of RCVs (incl. S.Tax)	Rs.153	Rs.253
b	Free Talk Value	Rs.20	Rs.40

c	FREE SMS in Nos	1500	3000
d	FREE DATA Usage in MB	500 MB	1000 MB
e	Validity	180 days	365 days

The following are the plans for which the new set of Top Up with validity and talk value is to be applicable i.e. validity will be extended in addition to to existing validity. Validity will be restricted to 450 days.

16	SMS booster	All allowed	All allowed	All allowed	All allowed

1) If any of the group member is not having sufficient balance in his account, for advance rent for that month, system will wait for the next 3 consecutive days for at least the amount equal to the rental component and deduct the amount. If deduction is not possible, the customer group id will be removed and subs cannot enjoy CUG benefits and subs can be treated like a normal customer in the parent plan ((i.e General 1p/sec or General 49).

2) No FREE components like Free voice calls, free SMS for this group at any point of time.

3) Rent for CUG service will be calendar based irrespective of the enrolling date.

4) NO NEGATIVE balance is allowed for these CUG numbers.

5) Any member of the CUG is on ROAMING, the charges will as per Roaming charges of the plan and no free calls are allowed within CUG while in roaming.

Note:

1. All the customers in CUG groups will be intimated through SMS about the facility & monthly deduction of talk value so that sufficient balance of talk value is available for extension on monthly basis.

2. Every month after successful deduction of rental, validity extended for 1 month if the validity lesser than 1 month otherwise no change in expiry.
Hence Recharge vouchers is not mandatory.

Usage of Multiple Boosters in 2G & 3G services * Conditions apply

At present, in Chennai Circle, prepaid mobile customers of 2G & 3G services are permitted to use one booster at a time. Now the customers are allowed to **use more than one booster at a time** subject to the following conditions:

The available booster has been grouped into 4 different groups. Namely, Group-1- General, Group-II Local/ STD, Group-III - SMS, Group-IV – GPRS. The customer can use maximum of 4 boosters **simultaneously**, i.e., one booster from each group at the same time. The boosters of the different groups can be utilized as per the following:

Group 1- General Name of the Booster	MRP	Valid ity (in days)	Applicability for activation through CTOPUP	Format for sending SMS to 53733 for 2G customers	Applicability

Conditions for use of multiple boosters

For Boosters in Group-I – General

1. The customer can use maximum of one BOOSTER from the group at a time.
2. Customer is not barred from using a second BOOSTER from the same group. However, if he uses a second BOOSTER from the same group, the new BOOSTER activated will override the existing BOOSTER in operation and the validity for the new BOOSTER is counted from the date of activation of the new BOOSTER.
3. Can use *124# to know the BOOSTER validity.

For Boosters in Group-II- unlimited Local/ STD voice.

1. The customer can use maximum of one BOOSTER from the group at a time.
2. If he uses a second booster from the same group and if the validity of the earlier booster is higher, then the higher validity of the earlier booster will be maintained.
3. *124# is not applicable.

For Boosters in Group-III – Free SMS.

1. The customer can use maximum of one BOOSTER from the group at a time.
