ANNEXTURE

Conditions for use of multiple boosters

For Boosters in Group-I – General

The customer can use maximum of one BOOSTER from the group at the same time.

Customer is not barred from using a second BOOSTER from the same group. However, if he uses a second BOOSTER from the same group, the new BOOSTER activated will override the existing BOOSTER in operation and the validity for the new BOOSTER is counted from the date of activation of the new BOOSTER.

For Boosters in Group-II- unlimited Local/ STD voice.

The customer can use maximum of one BOOSTER from the group at the same time.

If he uses a second booster from the same group and. If the existing validity of the earlier booster is higher, then the higher validity is maintained.

For Boosters in Group-III – Free SMS.

The customer can use maximum of one BOOSTER from the group at the same time.

On expiry of BOOSTER validity, balance SMS if any will be nullified.

However, if customer uses any other SMS BOOSTER in the same group within the validity period of the existing free SMS Booster, balance SMS if any will be carried forward.

For Group-IV- GPRS: (through SMS only)

The customer can use maximum of one BOOSTER from the group at the same time.

On expiry of BOOSTER validity, balance GPRS usage if any will be nullified.

However, balance GPRS usage if any will be carried forward if customer uses any other GPRS BOOSTER in the same category within the existing validity period of the GPRS BOOSTER.

The BOOSTER Validity is extended from the date of recharge of the new BOOSTER. If the validity of the earlier BOOSTER is higher, then old higher validity will be maintained

For Boosters in Group-V – ISD STVs.

All 5 ISD STVs will work in parallel. (and also in parallel with existing other groups)

(For ex. If a customer applies both STV 41 and STV 27, then he can enjoy both Rs.1.49/Min for Group A countries and Rs.2.99/Min for Group B countries).

If he uses a second booster from the same group (A or B or C or D or E) and if the existing validity of the earlier booster is higher, then the higher validity is maintained.

Note: *124# is applicable only to Group-I,II,III & NOT applicable for other Groups.
