Free call forwarding facility is available w.ef. 04.02.2021 with GSM prepaid mobile services to LL/ other BSNL mobile number/ other operator's Mobile number (i.e. without any activation fee for the call forwarding facility) with call charges applicable as per plan.

Note:

- The call forwarding facility is free i.e. without any activation fee for the call forwarding facility. The features/facility of the call forwarding is given at free of cost.
- The call forwarding to landline/BSNL mobile/other operator mobile is with call charges applicable as per plan. The charging for call forwarding is as per plan tariff i.e the call forwarding from BSNL mobile to another number is treated as outgoing call and is charged as per the freebies of plans/STV/tariff of the plans.
- For example, a customer in unlimited free voice plan or with unlimited free voice STV, the charging of the outgoing call is zero, similarly the call forwarding to another number is also treated as outgoing call and charged as zero. Further, if a customer is in plan 106 or any other plan with no remaining voice freebies, then the call forwarding is charged as per the voice tariff for the outgoing call in that particular plan.

Queing /Multiple Recharge Facility:

This concept is applicable for the customers those who do second recharge or third recharge of the selected STVs (mentioned in remarks column).

>Customers will get accumulation of freebies immediately on multiple recharge of PV/STV i.e the validity and freebies will be extended immediately with accumulation. Say for example, a customer has loaded STV-147 on 1st Nov'22 which is offering freebies for 30 days. The freebies are assigned to customer until 30th Nov'22. If customer loads STV-147 again on 16th Nov'22, his freebies and validity will be set immediately as 30th Dec'22 (ie. from 30th Nov'22 freebies are extended for 30 days).

> For STVs/ PVs with validity less than 300 days - 1+2 Multiple Recharge is allowed

For STVs/ PVs with validity more than 300 days - 1+1 Multiple Recharge is allowed

(the list of STVs having multiple recharging facility is subject to changes from time to time)

Rationalization of Automatic validity extension in Grace period-I/II and change in GP-Period (wef 01.04.2022):

A. For active plans: For customers with balance less than plan voucher amount, Rs.2/-will be deducted from the main balance on the second day of GP-I and the number will be reverted to active state for 1 day in the same active plan without any freebies.

Note: For customers with balance more than or equal to plan voucher amount, auto validity extension facility remains same i.e., deduction of Plan voucher amount on the first day of GP-I and reversion of customer to active state in the same active plan with applicable freebies.

B. For closed plans: i. With minute tariff: For customers with balance less than Rs.107, amount of Rs.2/-will be deducted from the main balance on the second day of GP-I and number will be reverted to active state for 1 day in the PV-107 plan without any freebies.

Note: For customers with balance more than or equal to Rs.107, auto validity extension facility remains same i.e., deduction of Rs.107 on the first day of GP-I and reversion of customer to active state in PV-107 plan with applicable freebies.

ii. With second tariff: For customers with balance less than Rs.997, amount of Rs.2/-will be deducted from the main balance on the second day of GP-I and number will be reverted to active state for 1 day in PV-997 without any freebies.

Note: For customers with balance more than or equal to Rs.997, auto validity extension facility is withdrawn to avoid inconvenience to closed plan PV-106 customers.

Condition: VAS services like PRBT, EROS NOW, Lokhdhun etc will not be activated with auto validity extension facility (For PVs with VAS services)

GP1: Grace Period 1= 7 days ; GP2: Grace Period 2=165 days.
